INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors
Nature Discovery Center, Inc.
Bellaire, Texas

We have reviewed the accompanying statements of financial position of Nature Discovery Center, Inc. (a nonprofit organization) as of September 30, 2015 and 2014, and the related statements of activities, cash flows, and expenses for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NATURE DISCOVERY CENTER, INC.
NOTES TO FINANCIAL STATEMENTS
September 30, 2015 and 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Nature Discovery Center, Inc. are described below to enhance the usefulness of the financial statements to the reader. The objective of the organization is to ignite life-long curiosity, understanding, and respect for nature through education. Unlike the financial statements of profit-motivated entities, this report places primary emphasis on the stewardship and use of assets rather than income determination.

Reporting Entity

Nature Discovery Center, Inc. is a Texas Non-Profit Corporation incorporated in 1979. The organization operates exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code.

Basis of Presentation

The financial statements have been prepared in accordance with standards for not-for-profit organizations adopted by the Financial Accounting Standards Board. They are stated on the accrual basis of accounting whereby expenses are recorded when incurred, donations are recorded when notice is received, and grant revenues are recorded when earned.

Income Taxes

Nature Discovery Center, Inc. is exempt from Federal income taxes under Section 501(a) of the Internal Revenue Code. The Internal Revenue Service has determined that the organization qualifies as a public charity and is not a private foundation within the meaning of Section 509(a) of the Code.

Cash and Cash Equivalents

"Cash equivalents" are defined as short-term, highly liquid investments that are both readily convertible to known amounts of cash, and so near their maturity that they present insignificant risk of changes in value because of changes in interest rates.

Donated assets and services

Donated fixed assets are recorded as revenue in the financial statements. Donated services are recorded as revenue only if the services require specialized skills, are provided by entities or persons possessing those skills, and would be purchased if they were not donated.

Nature Discovery Center, Inc.
Notes to Financial Statements (Continued)
September 30, 2015 and 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Depreciation and amortization of fixed assets

Fixed assets are recorded at cost as of the date of acquisition for purchased assets and fair value for donated assets. Depreciation is recorded using the straight-line method over the estimated useful lives of assets (5 to 10 years). Amortization of Leasehold Improvements is recorded using the straight-line method over estimated useful life of improvements (10 to 15 years).

The cost and accumulated depreciation of fixed assets sold or retired is removed from the related asset and accumulated depreciation accounts, and any resulting gain or loss is recorded in the period of disposal. Renewals and improvements that extend the useful lives of assets are capitalized at cost. Maintenance and repairs are included as expenses in the statement of activities.

Estimates

Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

NOTE 2: INVESTMENT ASSETS AND INVESTMENT EARNINGS

Accumulated depreciation and amortization	<u>(25,232)</u>	<u>(7,738)</u>
	<u>\$191,728</u>	<u>\$159,920</u>

NOTE 5: IMPROVEMENTS IN PROGRESS

Nature Discovery Center began significant renovations to its facility in 2013 (the "Gateway Project"). The renovations are being completed in two phases. Phase I, which involved renovations to the Henshaw House, was completed in fiscal year ended September 30, 2014. Phase II is in the planning stages as of September 30, 2015. Costs incurred to date have been capitalized as Improvements in Progress and amortization will begin once Phase II is completed in fiscal year ending September 30, 2017.

NOTE 6: DEFERRED REVENUE

Deferred revenue at September 30, 2015 and 2014, in the amounts of \$45,970 and \$63,395 respectively, represents advance payments received for special events that occur in the subsequent fiscal year.

Notes to Financial Statements (Continued)
September 30, 2015 and 2014

NOTE 7: NET ASSETS

Unrestricted Net Assets

Unrestricted net assets represent resources available for use by the organization that are not restricted by donors or other outside parties.

The Board of Directors has designated a portion of the unrestricted net assets to be maintained in a designated reserve for future needs of the organization. The balance of the designated reserve amounted to \$1,007,470 as of September 30, 2015, and \$715,075 as of September 30, 2014. Since designated net assets are not restricted by outside parties, the amounts can be utilized at the discretion of the Board.

Temporarily Restricted Net Assets

Temporarily restricted net assets consist of funds that are restricted by donors for specific uses within the organization. At September 30, 2015 and 2014, the balance of temporarily restricted net assets consisted of the following:

	<u>2015</u>	<u>2014</u>
Gateway Project	\$205,459	\$265,130
Boardwalk	<u>2,000</u>	<u>0</u>
	<u>\$207,459</u>	<u>\$265,130</u>

NOTE 8: RELATED PARTY TRANSACTIONS - CITY OF BELLAIRE, TX

Certain expenses of operations of Nature Discover Center are paid by the City of Bellaire, Texas in accordance with the agreement discussed in Note 9. Such expenditures are recorded as expenses or Leasehold Improvements in the financial statements, with a corresponding entry for contributions to Nature Discovery Center by the City of Bellaire.

The expenses and Leasehold Improvements include electricity, natural gas, repairs and maintenance, trash removal, and various improvements to the facilities. The expenses paid by the City amounted to \$9,068 in fiscal year ended September 30, 2015, and \$5,770 in 2014. The Leasehold Improvements provided by the City amounted to \$45,526 in fiscal year ended September 30, 2015.

NOTE 9: AGREEMENT WITH CITY OF BELLAIRE, TEXAS

Current Lease Agreement

Effective March 1, 2015, Nature Discovery Center is a party to a lease agreement with the City of Bellaire, Texas, for the organization's operating facilities located in Russ Pitman Park in Bellaire, Texas. The lease covers the Henshaw House, an improvement within Russ Pitman Park, as well as the park itself, for the operation of a nature discovery center.

Rent, in the nominal sum of \$10, covers the full term of the lease for a ten-year period. After the term, the organization has the option to extend the lease for two additional ten-year terms. Nature Discovery Center agrees in the lease to use the premises for horticultural, ecological, botanical and zoological studies and exhibitions, as well as programs and events fostering an understanding of the natural environment and a caring attitude toward it.

The City of Bellaire provides landscaping maintenance services and major tree pruning and/or hazard tree removal; trash receptacles and trash/recycling removal; major repairs to the building; painting of the building; all electricity, gas and water; security lighting and fire systems; and outdoor restroom facilities (when completed).

Nature Discovery Center provides minor plumbing repairs; maintenance of equipment; maintenance and cleaning of interior of the Henshaw House; and overall care of the property.

Prior Lease Agreements

Prior to March 1, 2015, and since 1972, Nature Discovery Center was a party to various lease agreements with the City of Bellaire, Texas, for the use of the Henshaw House and Russ Pitman Park. The previous agreements also included only a nominal rent amount, and included various items of cost-sharing and responsibilities between the City and the organization.

NOTE 10: OTHER DONATED SERVICES & MATERIALS

Certain donated services and materials do not meet the criteria for inclusion in the financial statements, but are disclosed below for informational purposes.

Program Services:

About 300 volunteers assisted in the operation of Nature Discovery Center, Inc. during each of the years ended September 30, 2015 and 2014, contributing approximately 6,000 hours of time each year to the organization. Volunteers included individual teens and adults, groups from schools, service organizations, school clubs, religious institutions, and schools.

Volunteers help care for the park and lead groups of school children on investigations in the park and on explorations of the Discovery Rooms. Volunteers plan the two major fund raising events: Twilight Gala and Pumpkin Patch. They also run games and children's activities at community gatherings, such as Spring Fling. Teen volunteers play an especially important role in the summer, serving as guides and camp counselors during summer break.
